TOTAL ASSETS	260,653.26
Excess of Liabilities over Assets	<u>\$ 29,387.35</u>

The deficit of \$29,387.35, as noted, is the results of:

1. Not appropriating enough money on interest for 1983 to offset an interest deficit of 1982.
2. Having to hire larger amounts of money at higher rates of interest.
3. The highway dept. had a \$3600 deficit.

After discussing this matter with the Dept. of Revenue Administration, the Selectmen, in order to increase our cash flow and reduce the amount of interest we pay, have instructed the Tax Collector to go to double billing beginning June 1, 1984. (The Tax Collector bills 50% of the previous years bill.)

*All or part of the total amount under the starred items are required by law to be raised as determined by the proper authorities. The District determines the salaries of the District Officers. The School Administrative Unit No. 20 decides the Superintendent's salary for 1984-85 as follows: Dummer, \$760.24; Errol, \$1,995.63; Gorham, \$25,146.40; Milan, \$4,945.22; Randolph, \$1,849.43; Shelburne, \$1,853.08. The Teacher's Retirement and the State Employee's Retirement Systems assess the amount of the Superintendent's retirement and other District employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law. All Districts are required by law to provide Unemployment Compensation and Workmen's Compensation.

REPORT SUPERINTENDENT OF SCHOOLS

To the Citizens of the Dummer School District:

I will have served your community as your Superintendent of Schools for thirteen years on April 1 of this year. Overall, those years have been very rewarding ones for me and I can only hope they have been productive ones for the community and the parents and children whom I have attempted to serve.

SCHOOL WARRANT

The school warrant for 1984-85 includes one article which makes it differ from your warrant of a year ago; specifically Article 4. Under this article your school board seeks approval to transfer the sum of \$23,821.00 from the Bus Capital Reserve Fund for the purchase of a new school bus. It should be noted that no new tax dollars will be needed to make this purchase.

The need for a new school bus may be questioned by some. I can only refer to the heavy repair bills we have experienced these past two years in support of the School Board's decision. Those of you who take the time to look up the cost of maintaining the present vehicle, I am sure, will agree the school board has made the correct decision.

TUITION STUDENTS

Your school board has budgeted for the following numbers of tuition students for 1984-85 as compared to 1983-84:

<u>Grades</u>	<u>1983-84</u>	<u>1984-85</u>
Pre-School	2	1
Grade 1	4	4
Grade 2	6	4
Grade 3	1	5
Grade 4	5	1
Grade 5	5	5
Grade 6	5	7
Grade 7	7	4
Grade 8	4	7
Grade 9	6	4
Grade 10	8	5

Grade 11	9	6
Grade 12	0	7
Special Needs	3	2
Contingency	<u>3</u>	<u>3</u>
TOTAL	68	65

TUITION RATES

The tuition rates for 1984-85 have not changed substantially and have even gone down on the high school level. Listed below is a comparison of rates for 1983-84 and 1984-85:

	<u>1983-84</u>	<u>1984-85</u>
Elementary 1-4	\$1,515.93	\$1,584.00
Middle School 5-8	\$1,789.96	\$1,838.00
High School 9-12	\$2,428.00	\$2,193.00

BERLIN-GORHAM STEERING COMMITTEE

The Berlin-Gorham Steering Committee, made up of 5 Berlin and 5 Gorham members, was given the task of making a study of both school systems to determine alternative school structures available to both communities in order to enable them to continue providing quality educational programs, to meet ever expanding school needs, and to maintain cost effective educational systems. The work of the Committee, which began last fall, will have been completed shortly before the Annual Meeting in March. The recommendations of the Committee will be placed before the school boards of both communities for action sometime before the end of the school year. The decision of both these boards could have an impact on the future relationship Berlin has with Dummer. Therefore, it is important that Dummer keep itself alert to these upcoming events.

BUDGET

The gross budget for 1984-85 shows an increase of \$6,642.00 over 1983-84. All of that increase was as a result of the decision by your school board to purchase a new school bus at a cost of \$23,821.00, all of which will be covered by a transfer in like amount from the Bus Capital Reserve Fund. On the net side of the budget we show a decrease of \$10,349.61 which should show up as a tax decrease for the fall of 1984. All in all things look up for the coming school year.

SUMMARY

I wish to express my appreciation to the members of the school board, your moderator, your treasurer, and your school district clerk for the part all of them have contributed to the education of Dummer's young people.

Respectfully Submitted,
ROBERT BELLAVANCE
Superintendent of Schools
